Chapter 1 by Melissa Vallejo

Me and my wife were in our bedroom when we heard someone trying to brake in my house. I quickly grabbed a bat I kept in my room for occasions like this. He ran into our bedroom. My wife hid on the side of the bed scared to death. I looked at him getting ready to hit him but then he said, " You Promised Me, its been 6 years and I've been waiting and you never came." Then he shot me, right into my chest I heard my wife scream then the guy shot himself.
